

House Resolution No. 1188

Whereas, the members of the Missouri House of Representatives always welcome the opportunity to recognize institutions and individuals who have proven down through the years to be exemplary components of local communities and neighborhoods; and

Whereas, Philip Wojak attained considerable distinction as the recipient of the Citizen of the Year Award from the Webster Groves-Shrewsbury Chamber of Commerce at its “Heart of the Community” banquet which took place on Friday, February 18, 2005, at the Orlando Gardens Banquet Center on Watson Road; and

Whereas, Philip Wojak was selected for the Webster Groves-Shrewsbury Chamber of Commerce Citizen of the Year Award in light of his outstanding efforts beyond the scope of daily civic responsibility; and

Whereas, Philip Wojak has developed and maintained an excellent reputation for teaching advanced physics at Webster Groves High School for thirty-nine years; and

Whereas, an inspiration to multiple generations of students, Philip Wojak also has taught for twenty years as an adjunct professor at Saint Louis Community College and Harris Stowe College, served on the Webster Groves Historic Preservation Commission, and participated in Rotary Club activities; and

Whereas, it is fitting and proper that the Missouri House of Representatives should pause in its diverse legislative endeavors in order to give honor and accolades to such worthy recipients as Philip Wojak:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, join unanimously to applaud the well-deserved selection of Philip Wojak for the Citizen of the Year Award from the Webster Groves-Shrewsbury Chamber of Commerce and to convey to him this legislative body’s most heartfelt best wishes for continued success for many more years to come; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Philip Wojak.
